Modern Talking Lyrics

1-A Telegram To Your Heart Lyrics

Oh reach out to my dream
All the masquerade of loneliness
You're a fool, baby
It seems words can not express
Oh, only your lonely heart can show
You're made for me I know
It's the time for our love
A telegram to your heart
A telegram to your love
Need your kisses
Baby, baby need that stuff
A telegram to your heart
A telegram to your mind
Need your kisses
Always like the first time
A telegram to your heart
A telegram to your soul
A telegram to your heart
A telegram to your soul
It started in heaven
I was lost in your lonely world
I'll be there forever
Oh you're gonna be my girl
There must be more to live, take care
Our love survive for share
Your love with me tonight

2-After Your Love Is Gone Lyrics

Oh you playing games, playing games, hurting my soul
Seven days, seven nights, without control
Oh every day, every night I was alone
When you're not next to me
Should I listen to my heart, girl
Should I listen to my brain
When you tell me, you leave me, and you give it up
Can't we still be friends ?

Oh, after your love is gone
I don't know where I belong
When you're not next to me, not next to me
I'm dying, crying baby
Oh, after your love is gone
Oh baby I'm so alone
When you're next to me, it's ecstasy
I'm dying, crying baby

Oh you playing games, playing games, playing with love
You can run but you can't hide, can't get enough
Anyway, anywhere, I'll be there
Cause you're the one for me
Cause when I give you all my heart girl
You know I will die for you
And when you tell me, you'll leave me, and you give it up
I lose my destiny

3-All I Have Lyrics

Oh it's now or never - it's no empty way
I will stay forever - babe what can I say
I miss you like crazy - where did you sleep last night
Nobody knows you baby, please stay by my side

And all I have, and all I need, and all I want is you tonight

And all I see, and all I feel, is just holding you so tight
And all I miss, and all I dream, and all I want is your sweet love
And all I know, and all I say, is that I can't get enough

My love is getting stronger - my love is here to stay
I can't wait no longer - baby make my day
Oh tonight I'm lonely - so lonely without you
Know that you're the only - my heart is true

All I miss is you, where ever I go and whatever I'll do

4-America Lyrics

On monday morning, oceanrain was falling
And tuesday morning, many friends are calling
Wednesday alone, staying at home
Thursday, oh I wait for you
And friday it's only one day
The weekend is coming soon

Refrain

America - oh it's saturday night
America - lazer beams, and lights
America - people feel alright
America - let the party begin
America - oh it's like a dream
America - let's have some fun tonight

On monday morning, my heart feels like fire
On tuesday evening, I can feel desire
Wednesday I'm down, spinning around
Thursday love is in my eyes
On friday, it's only one day
To my paradise

(in between)

I just can't wait til saturday
I just can't wait cause it's my day
I just can't, I just can't wait

5-And The Angels Sing In New York City Lyrics

See all stars - so fine tonight
And the old nightingale is flying tonight
To my dreams
Here are the birds are quiet tonight
And titanic is calling an echo of love
To your heart
And it hurts so much
But I have to go
Oh, it hurts so much
'Cause you have to know
And the angels sing in New York city
Do what I wanna do
And the angels sing, sound so pretty
Baby, I'm missing you
Do you need love
Hey, I see the albatros
Do you fever ?
Hey man in the stars above
Do you need love ?
Titanic - a call of love
I'm a million miles from home
And the fire of mountains are calling tonight
To my dreams
Don't let the stars get in your eyes
And the lonely dreamer is crying tonight
In your dreams
And it hurts so much
But I have to go
Oh, it hurts so much
'Cause you have to know

6-Angie's Heart (new Version) Lyrics

Every little moment
Oh, she dreams of you

Half a million miles of love come true
 How can you mend all the heartaches you've made ?
 What is easy for two, is so hard for one
 What is gonna happen when the summer is gone
 How can you mend all the heartaches that you've made ?
 Baby, how can you mend all the heartaches that you've made ?
 Someone is breaking Angie's heart
 What about the thing called loved ?
 He's breaking Angie's heart
 Her heart, her heart
 Someone is breaking Angie's heart
 One night is not enough
 Everybody got to believe in someone
 Ooh Angie
 Angie, there will never be another you
 If it doesn't fit that your dreams come true
 How can he mend all the heartaches he has made ?
 Tears of love, you wasted for this love affaire
 And his love will really hurt you, oh to care
 How can he mend all the heartaches he has made ?
 Baby, how can he mend all the heartaches he has made ?

7-Angie's Heart Lyrics

Every little moment
 Oh, she dreams of you
 Half a million miles of love come true
 How can you mend all the heartaches you've made ?
 What is easy for two, is so hard for one
 What is gonna happen when the summer's gone ?
 How can you mend all the heartaches that you've made ?
 Baby, how can you mend all the heartaches that you've made ?

Someone is breaking angie's heart
 What about the thing called love ?
 He's breaking angie's heart
 Her heart, her heart

Someone is breaking angie's heart
 One night is not enough
 Everybody got to believe in someone
 Ooh angie

Angie, there will never be another you
 If it doesn't fit that your dreams come true
 How can he mend all the heartaches he has made ?
 Tears of love, you wasted for this love affair
 And his love will really hurt you, oh to care
 How can he mend all the heartaches he has made ?
 Baby, how can he mend all the heartaches he has made ?

8-Anything Is Possible Lyrics

Stay, please stay with me tonight
 And all the stars up in my heaven
 They're shining bright
 Oh anything is possible
 I know - if you stay
 Oh I will catch you, if you fall, oh baby baby
 I know it hurts, but it hurts me more and more
 I hear your heartbeat baby, louder than before
 And when I cry, I cry for you
 Cause I know you are the only
 And when I die, I die for you
 Cause I know your heart is lonely
 Oh anything is possible
 I know - if you stay
 Oh I will catch you if you fall, oh baby baby
 Oh anything is possible
 Oh I know it from my heart
 I will try - oh if you call
 Don't leave me girl, don't leave me here tonight
 (Oh I'm so lonely)
 Don't leave me girl and all the feeling's right
 (Oh you're the only)
 I know it hurts you, you are walking out my dreams
 You see my heart on fire and now you're gone it seems
 My dying heart, it cries for you

Cause I know you are my only
Don't break apart, can't let you go
Cause I know my heart's lonely
Oh anything is possible
I know - if you stay
Oh I will catch you if you fall, oh baby baby
Oh anything is possible
Oh I know it from my heart
I will try - oh if you call
Don't leave me girl, don't leave me here tonight
(Oh I'm so lonely)
Don't leave me girl and all the feeling's right
(Oh you're the only)

9-Arabian Gold Lyrics

What a kind of fool I am
There's no smoke without a fire
You don't want me in your game
There's a shadow of desire
Come on in my arms again
I don't need no heart that's broken
Come and try me as friend, my love
Arabian gold
For your gangster love
Arabian gold
The last albatross
Arabian gold
For your heart and pride
Arabian gold
For you, midnight child
Arabian gold
For your precious love
Arabian gold
I can turn it off
Arabian gold
Frozen in my tears
Oh, I'm crying
Take away, away my fears
Take the ship that never sailed
Silent lover and devotion
Seven lonely nights - too late
Oh, you're breaking my emotions
Like a loser I will smile
Hearts are better left unbroken
Come an try me for a while, my love

13-Avec Toi Lyrics

Avec toi, avec toi be the lady of my heart
I will cry, I will die if you love me

You're all I want, I told you twice
You are for me my paradise
My heart it makes a lonely sound to me
You had the love right in your eyes
But maybe you are telling lies
My heart it makes a lonely sound to me

Avec toi, avec toi be the lady of my heart
I will smile, I will try, if you love me
Avec toi, avec toi
Give you all my heart, ce soir
I will cry, I will die, if you leave me

You are the first, you are my world
I'll never find a better girl
My heart it makes a lonely sound to me
You are my love, you are my life
Without you girl I can't survive
My heart it makes a lonely sound to me

Red, white, green and black, why you always make me sad
ABC and D, all my love for you is free
1, 2, 3, and 4 all my love you can't ignore
Tell me, that you mine baby til the end of time
Tell me, you can't hide, that your love for me is right
1, 2, 3 and 4 all my love you can't ignore

14-Bells Of Paris Lyrics

Oh, I gave you my heart
Every little bit
You're holding me till the night is gone
Oh, my little heart really blue apart
When you touched me
You hold so strong
Now, you're looking in my eyes
And I feel the need
I will try to make your dreams come true
Nothing else I do
Only loving you
And I never will tell you lies

Bells of Paris
You steal my heart away
Bells of Paris
Remembering that day
Bells of Paris
When I met you on the Champs-Elyseés in that old café
Bells of Paris
Coming up to me
Bells of Paris
Like a fantasy
Bells of Paris
I met you in the Paris' lights

And I fell allright

Oh, you stood in the light of an old café
You're flaming nice breaking up my heart
And you danced in the night in the magic light
And you gave my live a brand new start
Oh, you fed my love to your hungry soul
And I see an angel in your eyes
Want you take my hand to a wonderland
I will take you to paradise

15-Brother Louie Lyrics

Dear, love is a burning fire
Stay, cause then the flames grow higher
Babe, don't let him steel your heart
It's easy, it's easy
Girl, this game can't last forever
Why ? Why can not live together
Try, don't let him take your love from me
You're not good, can't you see brother Louie, Louie, Louie
I'm in love set you free
Oh, she's only looking to me
Only love breaks her heart brother Louie, Louie, Louie
Only love's paradise
Oh, she's only looking to me
Brother Louie, Louie, Louie
Oh, she's only looking to me
Oh, let it Louie
She's undercover
Brother Louie, Louie, Louie
Oh, doing what he's doing.
So, leave it Louie
Cause I'm a lover
Stay, cause this boy wants to gamble
Stay, love is more than he can handle, girl
Oh, come on stay by me forever, ever
Why does he go on pretending that his love is never ending fate
Babe, don't let him steel your love from me

Can't get enough of your sweet love, my baby
Can't get enough of your sweet love, my lady

You don't need nobody
When your're down and so alone
And there's no telephone

And I'm sailing back to you
And I'm staying, yes it's true
For you I am the fool, your my lady

Refrain:
Can't let you go, I need you so
Can't let you go, the time will show
Can't let you go, you break my heart for all the time

Heaven will miss an angel
And I know you are the sun
But baby now you're gone
My heart it needs a home, oh baby
Oh tell me that you miss me
And I'm driving home to you
You broke the golden rules
For you I am the fool, your my lady

20-Charlene Lyrics

You were mend for me
I'll give you love and extasy

Strangers on the shore
I wanna play this game no more
But if you run with me
Babe, to eternity
Baby, I'm born again
Broken hearts can mend, tonight
My Charlene, Charlene, Charlene
I'm lonely, you're the only
Queen of hearts
My Charlene, Charlene, Charlene
I'm falling
Oh, I'm calling
For your love, for your love
My Charlene
You are like the flame of love
Soulsurvivor of my lost emotion
My Charlene, I never get enough
How my love is deeper than an ocean
Daytime friends and nighttime love
If my heart could speak
You hear I'm lonely and I'm weak
There must be a way
I love you more than words can say
And if you run with me
You can have my love for free
Come on the wings of love
Up in the sky above, tonight

21-Cheri Lyrics

Oh
I cannot explain
everytime it's the same

Oh
I feel that it's real
take my heart.
I've been lonely too long
oh
I can't be so strong

Take the chance for romance
take my heart.
I need you so - there's no time - I'll ever go.

Cheri
Cheri Lady - going through a motion

Love is where you find it
listen to your heart.
Cheri
Cheri Lady - livin' in devotion

It's always like the first time
let me take apart.

Cheri
Cheri Lady - like there's no tomorrow

Take my heart

listen to your heart.
Cheri
Cheri Lady - to know you is to love you

If you call me baby
I'll be always yours.

I'll get up
I'll get down
all my world turns around

Who is right
who is wrong? I don't know.
I've got pain in my heart
got a love in my soul

Easy come
but I think easy go.
I need you so - all the times - I've move so slow.

Cheri
Cheri Lady - going through a motion

24-China In Her Eyes Lyrics

Behind the sun
I found someone
My china woman, oh no
She's painting clouds
Day in day out
My china girl, don't go
Oh I can't oh I can't, oh I can't ignore
The way she looks to me
Oh I can't - oh I can't
Oh I can't give her more
Just my heart, she is my destiny

She has China in her eyes
Can't you see it
China in her eyes - can't you feel it
China in her eyes - a secret smile
Oh can't you see, it's you and me
My China woman, oh no
I miss you so, can't let you go
My China girl - don't go

Behind brown eyes, she's mystify
My China woman, oh no
It's like a dream the moon turns green
My China girl - don't go

I believe, I believe, I believe, I'll fly
I'm writing hearts to you
And I wait and I wait, see a rose in the sky
Take my heart, what have I got to do

25-China In Her Eyes (Rap Version) Lyrics

From New York to Hong Kong
And back again
It's the No.1 fun maker in the nation
Making you dance

She wanna rub me down, keep my muscles strong
Keep it going on, from New York to Hong Kong
Think of something freaky in a crazy form
As long as I don't have to put my pants back on
She's the girl I never had, she's the girl of my dreams
A body like a Lamborgini covered in jeans
Too much for a man much more than I can stand
Wanna pack my bags and move to Japan....

She has China in her eyes - can't you see it
China in her eyes - can't you feel it
China in her eyes - a secret smile
Oh can't you see, it's you and me - my china woman, oh no
I miss you so, can't let you go - my China girl - don't go

From Paris to Bangkok
I just can't stop
You feel the music all around the world
My China girl - Come on!

Let me get tonight, you know I'll treat you right

Want China in your eyes, `til the morning light
The next day you'll realize, I'll be holding you tight
Because the love you be giving is dynamite
I wanna freak you here, I wanna freak you there
I wanna run my fingers through your hair
Tall as the China wall I wanna feel the world
Let nothing come between me and my China girl

From the moon to the stars
And all around the universe
This is a dedication to you
China in your Eyes

26-Cinderella Girl Lyrics

Oh I saw her near ocean avenue
Wears a t-shirt and her eyes are blue
She told me that
She's living in the heart of l.a. city now, mmm
We went straight to a night café
Took popcorn, coffee, and I heard her say
She told me that
She's living in the heart of l.a. city now, mmm

Refrain
Cinderella girl - you're in my mind
A girl like you - is so hard to find
Cinderella girl - I'll miss you so
Oh I'll never let you go, oh no

It was late at night, in that night café
She's eating icecream, when I heard her say
Please pick me up
Tomorrow in the heart of l.a. city now, mmm
At four o'clock, she took a cap
I saw her waving, never saw her back
She told me that
She's living in the heart of l.a. city now, mmm

27-Cosmic Girl Lyrics

The heart of the ocean told me, you're the only one
You're like a rose in the snow, and you need the sun
And my heart is crying, when your love is dieing
What have I got to do
And I'm tossing and turning, my heart is burning
We're more than two

Refrain:
You're my cosmic girl, you are in my mind
And a girl like you, is so hard to find
You're my cosmic girl, from rainbow two
And to hell and back, I will go for you
Oh cosmic girl come hear my heart
I'll never try to break apart
Oh cosmic girl, give me some time
I swear you're always on my mind

You are like the sunshine and I kiss away the rain
I tell you I miss you baby can't we be friends
Let's stay together, here and forever
It's good for me, good for you
The heart of the ocean, is always in motion
What can I do?

28-Diamonds Never Made A Lady Lyrics

Oh my heart is crying in the night for you
Oh, my God, oh don't you feel like a fool
You're fooling yourself with a millionaire
You think it's love but he don't care
And one of these days
You're gonna be surprised

Diamonds never made a lady, lover or a friend
I know it
Diamonds never made a lady, all your dreams will end

I know it

Your Californian nights
Warm body held you tight
Was just a dream
But all the diamond lights
Can't give you peaceful lives or sweet dreams

Oh my God, you really think you have it made
Your heart is won, with first class expenses paid
You drink champagne, eat caviar
A colour TV in the back of your car
But one of these days
You're gonna be surprised

29-Do You Wanna ? Lyrics

I hear your heartbeat, heartbeat, heartbeat
Playing with my mind
Oh, I need you wrapped around me
Just like I be on a veil
But now I'm only lonely, lonely
Holding on to you
Oh, I need you back here with me yeah
I think you want it too
Now I feed you with a new emotion
Heal you when you cry
I'll be your loving doctor of the night

Do you wanna take me tonight
Do you wanna make me at night
Do you wanna, if you wanna, take what you need

Do you wanna make it allright
Do you wanna heaven is tonight
Oh baby, do you wanna, if you wanna, take what you need

I hear your heartbeat, heartbeat, heartbeat
Begging for more
Oh, I need to hear that question
Like a dancer needs the floor
And now you're only, only, only
Holding on to me
Oh, now tell me that you're coming back
One word is all I need
Now I feed you with a new emotion
Heal you when you cry
I'll be your loving doctor of the night

44-Don't Worry Lyrics

Oh, life is so hard
And you have to choose
The call of the wind
On the highway of fools
Why does a man never cry when he's feeling
You murder all his feelings
Will you still be there
Only love knows why
Between the fire
When white doves cry ?
Why does a man never show what he's meaning
To murder all his feelings
And you cry in the night
When there's no one besides
Your tears

Don't worry baby
I'll be by your side
Don't let it ever get you down with you tonight
Don't worry baby
Where he has gone ?
My heart is out of my control
I'm falling strong

Don't worry pretty baby
Come and get you down tonight
Come and get
Come and get
Come and get you down
Your heart of pride
Don't worry pretty baby
Come and get you down tonight
Come and get
Come and get
Come and get you down
Your heart of pride
Heart and pride

I live for love
And you've got to try
Oh, don't let this chance, baby pass you by
Why does a girl never cry when her feelings
Are murdered by bad dealings
It started in heaven
There's a place for you
Give me the chance for a rendez-vous
Why does a girl never shows what she's meaning
You murder all her feelings
And you cry in the night
When there's no one beside
Your tears

46-Fly To Moscow Lyrics

Fly to Moscow and land on the Red Square

Fly to Moscow and land there if you dare.

Modern rebel Mr. Rust he showed the world Moscow or bust

Flying in red baron's shoes zig-zag course
that leaves no clues.
The Kremlin says this can't be true

heads will roll 'cause this won't do

Reuther
Tass and CBS said this story is the best.

Fly to Moscow and land on the Red Square

Fly to Moscow and land there if you dare.

No-one saw him on the screen

'cause he kept his nose down
kept it clean

Flying solo in his Cessna Mr. Rust beat Russian radar.
Uncle Sam and Pentagon they couldn't do what he has done

Gorbachev he had no laughs when Mr. Rust signed autographs.

Fly to Moscow and land on the Red Square

Fly to Moscow and land there if you dare.

The people rolled their eyes
and said the flag was black and gold and red

The KGB took the plane away but some photos went astray.
And the news went out around the world

the story soon become unfurled

The new born hero from the west came down
to earth and pass the test.

Fly to Moscow and land on the Red Square

Fly to Moscow and land there if you dare.

Fly to Moscow and land on the Red Square

Fly to Moscow and land there if you dare. Fly to Moscow!

47-Fly To The Moon Lyrics

I'm lost in you, I'm lost in love
What can I do, words not enough
I'm lost in space, I'm lost in you
Oh my babe, what can I do?
I'm lost in your eyes, in your disguise
Oh you can run but you can't hide
I'm lost in space, I'm lost in you
Oh my babe, what can I do?

Fly to the moon
I'm coming soon
I swear to you
My baby blue
Fly to the moon for your sweet love
What can I do can't turn it off
I die for you and your sweet love tonight

We two are one and I'm still here
Together strong, don't disappear
I'm lost in space, I'm lost in you
Oh my babe what can I do
Don't tell me lies under the sky

49-For Alway's & Ever Lyrics

Do you wanna hear my story?
I know it wasn't much of glory
Now I found someone to believe - it's you
You took my life - colored all my lonely day's
And I'm so proud to hear you say.....

For alway's and ever - take it from my heart
Take it from the start - for alway's and ever
We are strong - together now.....

Love is a flowing of emotions
Two hearts are living through the motions
You will see nothing's tearing us apart
You took my life - colored all my lonely day's
And I'm so proud - to hear you say.....

Love can change your life forever
And you, you give me everything
Everything that I need.....

Oh I will swear to you that I love you

Oh lady, if this is heaven
I'm not afraid of hell, i'm telling you
Oh lady, my heart is lonely
I know the time will tell, I tell the truth
Oh lady, I'll always miss you
Oh I will swear to you, that I love you

51-Geronimo's Cadillac Lyrics

I wanna share my dreams
wanna share with you

On the wings of love like dreamers do -
Touch your heart
you're the queen of broken hearts.
Oh
we are daytime friends and nighttime fools

Wanna play this game
you break the rules -
Tears of love are frozen tears.

Geronimo's Cadillac is making all girls too mad

Geronimo has a heart
oh
it's a drag.
Geronimo's Cadillac
oh
making all girls too sad

Geronimo has a heart
oh
it's a drag.
Geronimo's Cadillac
it's tossing
oh
in your head

It's tossing and turning
it's burning
it makes you mad.
Geronimo's Cadillac
oh baby
I'll hold you back

You're tossing and turning
it's burning
it makes you sad.

I'm looking through the eyes
the eyes of love

Made a fool of me
can't get enough -
Touch my heart
boulevard of broken dreams.
Another time for love
other place to be

Don't let him take your love
your love from me -
Tears of love are frozen tears.

Geronimo's Cadillac is making all girls too mad
...

Geronimo's Cadillac is making all girls too mad

Geronimo has a heart
oh
it's a drag.

52-Geronimo's Cadillac Lyrics

I wanna share my dreams
Wanna share with you
On the wings of love
Like dreamers do
Touch your heart -

And break the rules
Tears of love are frozen tears

Geronimo's cadillac
Is making all girls turn mad
Geronimo has a heart - oh it's a drag
Geronimo's cadillac
Is making all girls turn sad
Geronimo has a heart - oh it's a drag

Geronimo's cadillac it's tossing oh in your head
It's tossing - it's turning
It's burning - it makes you mad
Geronimo's cadillac
Oh baby I'll hold you back
It's tossing and turning
It's burning - it makes you sad

I'm looking through the eye's
The eye's of love
Made a fool of me - can't get enough

53-Girl Out Of My Dreams Lyrics

Dreams that money just can't buy
You give away no try and now you're gone, is it forever?
Love, for me is not a game
Don't play a trick again, it's over now, is it forever
Don't hurt my heart

Oh I thought you are the girl out of my dreams
I'll be there for you oh baby now it seems
You're the one who quit this love and let me go
Is it over now, I have to know

Girl, oh why you changed your mind
There's a way we'll find, but why, you're gone, is it forever?
Love is looking through my eyes
Don't leave this paradise, it's over now, is it forever?
Don't hurt my heart

I have to know, I have to know

Just behind a painted smile
Just call me, please call me
I try
With you will the rainbow dry
My heart is still alive
I have a rainbow in my eyes
Good girls go to heaven
Bad girls go everywhere
Good girls go to heaven
Bad girls are here and there
Just come feel my love inside
Call me when you're sad
There's no love to hide
What you see is what you get
Tonight
Oh I make your dreams come true
For a tango it takes two

I'm hating all these lies
A rainbow is still alive

When I'm down, feeling blue
I close my eyes, oh just to be with you
I'm a dreamer and you know
You're my woman and I'll never go
God put an angel here on earth
Who gave me more than all I'm worth
You're my angel in the night
In the darkness you're the light

Heaven will know, oh heaven will know
My love will grow baby
Heaven will know That I need you so
I can't say : goodbye lady

Heaven will know
That I'll never let go
And I'm stay untill my heart stand still
No matter what baby
Feel what you want
Heaven sent me an angel
Heaven sent me a star

Don't let me down
Take my hand
Now and forever be my friend
Take my love and heart tonight
You're a woman till the morning light
I cry the tears I've never shown
An empty house I call my home
You're my angel in the night
In the darkness you're the light

And it's more than a passing face
And it's more than a few nice days

And it's more than I'll ever know
And I never be alone

I want you, hey you
Take a chance on me
Baby, put your love on me
I want you tonight

I want you, hey you
Little boogaloo
Shot a hole right in my soul
Hey girl, hey girl, take this chance for love
I want you, hey you
Little boogaloo
You want me and I want you
Hey girl, hey girl
You are the one that I'm dreaming off

I'm tired of be alone

60-How You Mend A Broken Heart Lyrics

Somewhere there's a chance for me
I said to my friends, my family
It's a long and lonely road to Southern Chelsea
And some where there's a love for me
I want to find my own reality
It's a long and lonely road to Southern Chelsea
Tell me there's a heaven, I know that it's no dream
(Sometimes I'm high and low girl and sometimes in between)

Tell me how you mend a broken heart
I don't wanna be a lonely liar
Tell me how I find a brand new start
I will ever be a heart survivor
I will make my dreams comes true
I will try, oh just for me and you

It's all or nothing forever girl
I said goodbye, to my old old world
It's a long and lonely road to Southern Chelsea
And some where thousand miles away
I'll find my life, but I have to say
It's a long and lonely road to Southern Chelsea
I will find my heaven, I'm halfway to my dream
And I see a tiny river, like in an old old movie scene

61-I Can't Give You More Lyrics

My love is just like the ocean
Oh, please come back to me

'cause I won't die girl, for nothing
Oh, your not blind to see
Oh, I won't die girl, for nothing

I can't give you more - I can't give you more
I'll never find what I am searching for
I can't give you more - I can't give you more
There's no one else - this love you can't ignore

62-I Need You Now Lyrics

Why did you go
Why did you run away
Is there something I can do
I'm standing here
Oh I don't know what to say
Feeling helpless without you

I do'nt care what you said and what you've done
For me you're still the one

Refrain
I need you now
It's the only thing that you should know
Here's my declaration
I need you now
Searching for you wherever you go
Looking for salvation
I need you now

I hear your voice
When I'm so alone at night
Want to hold you in my arms

I see your eyes
Shining so warm and bright
Wanna fall into your charms

I don't care what you said and what you've done
For me you're still the one
Refrain I need you now
It's the only thing that you should know
Here's my declaration
I need you now

I will follow you.....

64-I'll Never Fall In Love Again Lyrics

Heaven is for every one
If you're old or if you're young
Baby you can't kiss the past goodbye
When I saw her in the night café
Just near by the Champs-Élysée
She looked so sad, she breaks my heart
She told me she will take the car
And drive to an unknown star
She falls in love with someone else not me
And I know my tears will never dry
When I heard her say just goodbye
I never said she guilty, guilty for my love

I'll never fall in love again
I never fall in love again
I will never give my heart away
Till my life will end
Baby, never fall in love again
Never fall in love again
There will never be another you
Girl please understand

It takes a woman, to make a man
Sometimes it's hard to understand
She took my heart away and let me go
And I'm too shy to let her know
She's like a rose in the snow
I wanna be her sunshine
The sunshine to her life
I never knew heaven could speak
But in my heart, there is a deep
There's a deep deep feeling just for you
And I know this tears will never dry
When I heard her say, just goodbye
I never said she guilty, guilty for my love

65-I'm Not Guilty Lyrics

More and more you're in my world
I'll tell you no lies, I tell you the truth
That I'm hooked on you, my baby
Oh I feel your heartbeat is true
And I'm so In love with you
Can't you feel the rhythm of love
Baby can't you see, just for me, heaven above

I'm not guilty, baby I'm not guilty
for the moonlight
Tell me, tell me, baby that it's your night
Baby show me heaven again, again
I'm not guilty, baby I'm not guilty
For the moonlight
Do you, do you, do you feel it tonight
Oh I wanna making good love, to you

Hey little baby, are you alone
It's not far, far from my home
I'll tell you no lies, I tell you the truth
That I'm hooked on you, my baby
Are you ready to play this game
I show your love, it's not the same
I'll tell you no lies, I tell you the truth
That I'm hooked on you my baby
Oh I feel your heartbeat is true
And I'm so in love with you
Can't you feel the rhythm of love

70-In Shaire Lyrics

You're hunting me
In the night in your fantasy
It's the sign of the gypsy queen
Endless dream
You're hunting me
I feel the need
I never felt love so deep
Love is so dangerous, mysterious
I try to win, baby
Oh, in Shaire
You won't have my love for free

You are selling frozen tears
 A journey to my heart and fears in Shaire
 In Shaire you will play a game with me
 You are stealing memories
 My heartbeat is a loving beat in Shaire
 In Shaire you try
 Breaking the rules make white doves cry
 In Shaire I know
 All your love will come and go
 When I say you will take all my feelings away
 In Shaire
 You're hunting me
 Winning games of the night I see
 Loving you such is such a thrill
 You make me feel
 You're hunting me
 You're holding me
 I'm lost in a lonely sea
 And behind your painted smile
 You're a child
 Try to win, baby

 Oh I feel your heartbeat is true
 And I'm so in love with you
 Can't you feel the rhythm of love
 Baby can't you see, just for me, heaven above

Refrain:

I'm not guilty, baby I'm not guilty
 For the moonlight
 Tell me, tell me, baby that it's your night
 Baby show me heaven again, again
 I'm not guilty, baby I'm not guilty
 For the moonlight
 Do you, do you, do you feel it tonight
 Oh I wanna making good love, to you

Hey little baby, are you alone
 It's not far, far from my home
 I'll tell you no lies, I tell you the truth
 That I'm hooked on you, my baby
 Are you ready to play this game
 I show your love, it's not the same
 I'll tell you no lies, I tell you the truth
 That I'm hooked on you my baby
 Oh I feel your heartbeat is true
 And I'm so in love with you
 Can't you feel the rhythm of love
 Baby can't you see, just for me, heaven above

80-Jet Airliner Lyrics

The times were hard and I was running
I could feel my chance was coming
Another time, another place
A pillow filled with frozen tears
See the gates, a distant fire
Shows the way, to my desire
Laying down my heart for you
'cause I'm lonely, feelin' blue
I know that I'll never die on love
But I'll never get enough
Oh, I got no time to lose

On my avenue to a jet airliner
Avenue to my broken dreams
My avenue to a jet airliner
Like an old old movie-scene

My avenue to a jet airliner
Brings me back to the dreams I loved
Good guys only win in movies
But this time babe I'll get enough

(the avenue is closed, is closed forever)

Love can breed misunderstanding
But my heart will soon be landing
Another love on golden wings
Oh, I'll buy you diamond rings
Waitin' for a lonely rainbow
Magic wave where will I go
Breaking down my heart to you
'cause I'm lonely, feelin' blue
I know that I'll never die on love
But I'll never get enough
Oh, I got no time to lose

(but you know, yes you know you can change it)

81-Jet Airliner (new Version) Lyrics

82-Just Close Your Eyes Lyrics

Did I ever ever told you
 That I miss you every night
 And I cannot find my sleeping girl
 If I cannot hold you tight
 Did I tell you when you left me
 There's no sun up in the sky
 An I cry so many time girl
 Just like a broken toy
 Oh I cannot stand the pain girl
 It was over, I can see
 And now you told me lady,
 there's a chance for you and me

Just close your eyes - and stay with me
 There is a place - where I wanna be with you
 Just close your eyes - take me in your heart
 I will love you pretty baby, if you try a start

Did I ever ever told you
 That I dreamed of you last night
 Is there anything I can do
 cause I wanna hold you tight
 Did I tell you I was dying
 When turned away from me
 Took away my sweet sweet heaven
 And I lost my destiny
 Oh I cannot stand the pain girl
 It is over, I can see
 And now you told me baby,
 There's a second chance for me

83-Just Close Your Eye's Lyrics

Did I ever ever hold you - say I miss you every night?
 And I cannot find my sleep girl - if I cannot hold you tight
 Did I tell you when you left me - there's no sun up in the sky
 And I cried so many times girl - oh, like a broken toy
 Oh, I cannot stand the pain girl - it was over I can see
 And you told me lady - there's a chance for you and me

Just close your eye's and stay with me
 There is a place - where I wanna be with you
 Just close your eye's and take me in your heart
 I will love you pretty baby - if you try a start

Did I ever ever tell you - that I dreamt of you last night
 Is there anything I can do - 'cause I wanna hold you tight
 Did I tell you I was dying - as you turned the day to night
 Take away my sweet sweet heaven - so I just can't see the light
 Oh, I cannot stand the pain girl - it was over now I see
 And now you hold me baby - a second chance for you and me

84-Just Like An Angel Lyrics

City lights spinning in my head
 Here comes the night and go to bed
 I'm sitting here in that night café
 My love won't go away
 Neverending dreams of you
 Lonely hours passing through
 Still missing you
 Where will you go, tonight ?

Just like an angel, you are
 Home at your heaven, you're my star
 Just like an angel in the night
 Ice in the fire melt in the light

Just like an angel
 Waiting for you
 Let me down easy
 Like angels do
 You're my angel
 Oh call me
 Give me high, high energy

I cross the streets for a telephone
Shadows dancing, still on my own
I'm sitting here in that night café
My love won't go away
Café is empty, the night goes by
A million stars shine in the sky
Still missing you, where will you go tonight ?

Evil women telling stories

Just we two
You are a lovely work of art
Baby, just we two
You want me and I want you
Baby, just we two
I don't wanna lose for you

Bitter sweet, you wasted years
Lonely dream about souvenirs
Baby, touch an hand and make a friend, tonight
Bitter sweet love has no pride
Try again time is on your side
Oh, strange are the ways of love
Come on and take my heart

It's breaking just apart
Keep love alive
Too hard to hold it
Keep love alive
Too hard to stop it
Keep the fire burning in your heart
Forever and ever
Keep the fire burning from the start
Ever together
Bitter sweet so high so low
Lonely dreamer

93-Like A Hero Lyrics

Baby, come save me
 >From pain and from fear
 Maybe I'm crazy
 Still dreaming you are here
 No more tears my baby
 I cry for you
 No more fears, oh maybe
 I'm missing you
 Like a hero I will smile again
 Like a hero in the midnight rain
 Like a hero I will go
 Miss you more than you will know
 When you break my heart
 Like a hero I will smile again
 We're a woman, baby and a man
 And I'm needing your sweet love
 Give me more that sweet stuff
 Give me what you've got
 Baby, be with me
 It's cold and lonely
 Oceans of sorrows
 A man with no tomorrow
 No more tears, my baby
 I cry for you
 No more fears, oh maybe
 I'm missing you

94-Locomotion Tango Lyrics

Love is a lie
 Love is a mess
 Telling the secrets of loneliness
 Our love survive
 Our love survive
 Letters are written
 Words are spoken
 Some hearts are better left unbroken
 How will love survive
 How will love survive
 Little by little, step by step
 We will kill the dirty heads
 Heart to heart and side by side
 Love will never hide
 Locomotion tango on a lonely rainbow
 We will dancin' baby
 Don't wait for heroes
 Locomotion tango on a lonely rainbow

We will dancin' baby
 Romancin' lady
 Locomotion in my heart
 See you dancin' in the darkness
 Locomotion let us start
 Let us dancin' in the moonlight
 Baby, you're waiting
 Baby, you cry
 See all the fools babe with their lies
 Our love survive
 Our love survive
 What does it take to kill your live?
 What does it take to get that stuff?
 Our love survive
 Our love survive
 Little by little, step by step
 We will kill the dirty heads
 Heart to heart, side by side
 Love will never hide

95-Lonely Tears In Chinatown Lyrics

A broken heart - a pillow filled with tears
 It was hot, babe, hot through all the years
 Everybody needs someone to hold
 Never thought that heaven can be cold
 When you call me baby
 I'll be there
 A penny for your thoughts - oh to care
 Lonely tears in Chinatown
 Are too danger-, dangerous
 You can have this love for free
 Lonely tears in Chinatown
 Are too danger-, dangerous
 If you're ready, go with me
 His love is ...
 D-d-d-danger
 D-d-d-danger
 You can have the best for free
 His love is ...
 D-d-d-danger
 D-d-d-danger
 Come on, take the rest of me
 Tonight did what
 It means to be so young
 When two hearts are beating
 Just as one
 Our love can go a long, long way
 There's nothing left for me to say
 Nobody makes me crazy, like you do
 Take the stars out of the sky for you

96-Love Don't Live Here Anymore Lyrics

Oh lady, oh lady, my heart is crying
 Can't holding back, keep on trying
 You went out off that door
 Love don't live here anymore

Oh let me, oh let me explain
 Love don't live here anymore
 Oh let me, oh let me explain
 Love don't live here anymore

Troubles stole my paradise
 Was our love just blind ?
 Look what you have done to me, my love
 You can still win back my heart
 Love can find a way
 Got my love lying in your hands
 Oh, still I can't explain
 Why you went away
 So, I ask again have you gonna stay
 I feel just the same
 Love might come again
 Emotion, emotion

Oh lady, oh lady, my one and only

You've been gone
I'm feeling so lonely
You went out off that door
Love don't live here anymore
Oh let me, oh let me explain
Love don't live here anymore

(Hold me darling, you know that I really, really love you)
Could I ever love you more babe
Than I did before
See you through the eyes of love, my love
I gave everything, how could you
Were to blind to see
But my love is still for you babe
Still I can't explain
Why you ran away
So I ask again
Have you gonna stay
I feel just the same
Love might come again
Emotion, emotion

98-Love Is Forever Lyrics

When I was young
I took my feelings just for fun
I never knew how long I stay with someone

Never really care to know
Now times are changing
Been through every high and low
And falling into all affections
But thing that is true
It's the best thing I share with you

Love is forever
Forever in your arms
And all I need is to hold
Hold you like no one before
And never let you go
Love is forever

Then I met you
And I was feeling so alive, baby
A joy like this I've never seen before
In the best years of my life
Gone all the bad times
Never knowing where to go
Wand`ring around in darkness
Now my days are bright
'Cos you're the sunlight in my life

99-Love Is Like A Rainbow Lyrics

When I look into your eyes
I can see a part of heaven
Never felt the way like this before
In my life

Love shines in many colours
Love is shining for us
Believe me
That my love is real

Love is like a rainbow
Love will lift you up and let you down
The light behind the shadow
Will tell you
That I'll never go

If you see a rainbow in the sky
I will promise you that you'll never cry again
Those tears from heaven

Every hour every minute
I will touch you I will feel it
Always looking for someone like you, all my life

I cover you with sunlight
I take your hand and hold tight
If raindrops
Will darken the sky

Love is like a rainbow
Love will lift you up and let you down
The light behind the shadow
Will tell you
That I'll never go
We know that rainbows come and go
But our love won't slip away

100-Lucky Guy Lyrics

I feel your heart-tune
I feel the sound move
I hear the last tune
Over and over again
Without end
I feel the flowers
I feel the showers
I hear the last words
Over and over again
Without end

I'll be your lucky guy
I'll be your lucky guy

Tomorrow when all things are shaping
Tomorrow then I'll be with you
Tomorrow when you're heart is aching
I keep on loving you

I feel the magic
There's no tragic
I hear your laughing
Over and over again
Without end
I see you walking
I hear you talking
I feel the loving
Over and over again
Without end

Know that I can't let you go
Dim all the lights and let me hold you so tight

You are my dreams, my reality

You're walking like an angel in heaven
In the night I see an angel in you
In my lonely dreams I count to seven
And I call you baby
Know that it is true
When you're young and in love
It's too hot to stop
Young and in love
You never give up

Only love can break my heart
It's tearing me apart
Now I never feel brand new
Only love can break my heart
Playing it's so hard
Nobody love's me like you do

Only love can break my heart
It's time to make a start
Babe, I love you without end
Only love can break my heart
You'll make it if you start
Babe, take me as your friend

Your feelings are tossing and turning
You have to love to pay the right price
Your lonely heart keeps on burning
But an angel will hear many lies
When you're young and in love
It's too hot to stop
Young and in love
You can never give up

Angeleyes
I saw you in the classroom
Oh times go by
This world was not my home
Tears can dry
Our love is forever
But angeleyes, angeleyes

Operator gimme 609
Love is really hard to find
Let's go for it
Operator gimme 609
Waiting for my baby's line
Let's go for it
Oh my operator
Why can't you tell me if she's coming later
Gimme, gimme the line
Hold it to eternity
Oh my operator
Why can't you me tell if she's coming later
Gimme, gimme the line
Hold it to eternity
Angeleyes

Oh angel eyes, I never cried before
Oh come back

 Oh angeleyes, oh angeleyes
 Come home, come home 9. You and me.
 Love delight - deep inside
 I'm sharing all my love with you
 Oh, I know I can't live without you girl
 I can't live without you
 Take me away
 Make my day
 Everytime I see your face
 Oh, I know I can't live without your love
 That I can't live without you
 There's one life to live
 And one heart to give
 Tell me that you need
 Body heat
 Just turn out the lights
 You and me
 Dreams are free
 Just a woman and a man, babe
 You and me
 Can't you see
 That I'm doing what I can, babe
 Babe, you and me
 Extasy
 And I never want to lose you
 To the end of the world
 Oh, I'll stay by your side
 You and me
 Oh, I feel
 Like the moon was made for lonely
 You and me
 Oh it's real
 You are the one and you're the only
 You and me
 Memories
 All the love that's never ending
 To the end of the world
 Oh, I'll stay by your side
 It's getting late
 And I can't wait
 The ocean beating in my heart
 Oh, I know I can't live without you girl
 I can't live without you
 I call your name
 Again and again
 I lose my soul, my selfcontrol
 Oh, I know that I can't live without your love
 That I can't live without you
 There's one life to live
 And one heart to give
 Tell me that you need, body heat
 Just turn out the lights

108-Part Time Lover Lyrics

Oh anytime and anywhere
 I'll give you all my heart I swear
 And when your love begins to turn
 I light the fire, and it burns
 Oh all I want is everything
 But I can't buy you diamond rings
 But I will make your dreams come true
 But one thing I don't wanna do

Refrain:
 I don't wanna be your part time lover
 I don't wanna play no silly games
 Oh don't tell me baby there's no other
 I don't wanna die in sweet, sweet flames
 I don't wanna be your part time lover
 I don't wanna play no silly games
 I don't wanna be your special brother
 Again, again, again

Oh lonely days and lonely nights
 I'm waiting for your call, that's right

Oh should I stay or should I go
There is a place, oh girl I know
Don't waiting for a star to fall
Oh hundred times I tried to call
Oh baby why you telling lies
And try to break my paradise

109-Princess of The Night Lyrics

In the darkness
Hesitating in the darkness
Follow all your shadows in the night
I'm feeling it's burning
The point of no return, babe
It's easy for two
Baby, it's so hard for one

Princess of the night
I'm drowning in the light
Princess of my dreams
'cause fire I feeling

Princess of night
What have you done
Baby, I know our day will come
Princess of night
Princess of day
When the night will fade away

When two hearts are beating as one

110-Rain in My Heart Lyrics

If I have to cry, if I have to kill
If I have to die, oh baby I will

As long you stay, baby by my side

My sweet baby?
Oh my lady, I can't live without you, oh no

If I have to climb, on the greatest hill
If I have to fall, oh baby I will
As long you stay, baby by my side

111-Riding on a White Swan Lyrics

Secret message - for a rendez-vous
Distant fire - it's hurting you
It's so sad.....
Good love go's bad
Tears of love will make me sad
Frozen teardrops
Running with the night
Sorry does'nt always make it right
Tears of love - tears in my heart
Why did love just break apart - break apart?

I'm riding on a white swan
I need your love tonight
I'm riding through a hard storm
Don't treat me like a child

I'm riding on a white swan
I've got just what you need
I'm riding on a white swan
You've got the best of me

On the wings of a nightingale
Playing games - your love for sale
Then my girl belongs to yesterday
No return - don't lose your way
It's more than just the two of us
Heart is open - come on, trust
Love I gave for your mystic smile
Should I go ? ? ? ?
Or stay awhile - stay awhile

I'm riding on a white swan.....

112-Riding On The White Swan Lyrics

I need your heart tonight
I'm riding through a hard storm
Don't treat me like a child
I'm riding on the white swan

I'm riding on the white swan
You've got the best of me
On the wings of a nightingale
Playing games
Your love for sale
Then my girl belongs to yesterday

113-Romantic Warriors Lyrics

In the nights of lost and found
Many strangers are around
You're nobody until someone will love you
You can't make it on your own

Many heartaches keep the world on turning
'cause you are fooled by your feeling
You can pay the price of love
Give me your hand , my love
Give me your heart

All precious memories, you had through the years
All they are passing one by one
You kill the memories
Wave off the pain and tears
Baby, together we are strong
10000 lonely drums
Are playing in my heart
10000 drums of dreaming fell apart
10000 drums are playing just for you
10000 drums are saying I'm missing you
Oh, my drums
They're playing in your mind
Thinking of endless lovers
Some too hard
Oh my drums
I never let you go
They give the mimbick of a lonely drum
Like a hero will smile again
If you will play this game
Don't be a thief for stealin' hearts
Like all the thousand smiles
It takes a little while

 We'll take the chance, we'll win again
 I know my dream, it will come true

We'll take the chance, don't lose the game
It's a game for me and you
We'll take the chance, we'll win again
I know we're going hand in hand
We'll take the chance, and we are friends
For a game that never ends
We'll take the chance, we will again
It's our dream, and you will see, we'll go hand in hand
We'll take the chance, we'll win again
I know my dream, it will come true
We'll take the chance, don't lose the game
It's a game for me and you
We'll take the chance, we'll win again
I know we're going hand in hand
We'll take the chance, and we are friends
For a game that never ends
We take the chance

139-Who Will Save The World Lyrics

Father they have written
On the point of no return
Soldiers they will come and
Oh they're coming to burn
(I said) oh boy, we need your hope to live
Oh boy, you have so much to give
Oh boy, don't let it get you down

Who, baby, who will save the world ? (it's not too late)
Who, baby, who will save the world ? (all heroes hesitate)
I'm too young to die.....
I'm too young to die.....

Father, I've been looking
Through a rainbow of tears
Found yourself so lonely
Oh they're drowning in my fear
(I said) oh boy, I'm old enough to know
Oh boy, that it hurts to grow
Oh boy, don't let it get you down

140-Who Will Save The World ? Lyrics

Father they've written
Of the point of no return
Soldiers they will come
Oh they're coming to burn

Oh boy, don't let it get you down
Who, baby, who will save the world ? (it's not too late)

141-Why Did You Do It Just Tonight Lyrics

Why did you do it just tonight ?
You're leaving me without good-bye
Why can't you give me one more try ?
Before you went and said good-bye
Why did you do it just tonight ?

Sometimes I feel that life's a show
But I don't wait - don't let you go
Cause darling, heaven can be cold
With no angel life been told
Your memories come and memories go
But my love will always grow
Why do you flow away my heart ?
Why did you break apart ?

Why did you do it just tonight ?
 We had two tickets to paradise
 Nobody ever loved you more
 As I always did before
 Why did you do it just tonight ?

The way you talk, the way you smile
 All things you do make life worth while
 It's not a game you play with me
 You give this world some sanity
 Your memories come and memories go
 But my love will always grow
 Look at the stars, they're out tonight
 Be forever by my side

142-Why Did You Just Do It Just Tonight Lyrics

Why did you do it just tonight ?
 You're leaving me without goodbye
 Why can't you give me one more try ?
 Before you went and said goodbye
 Why did you do it just tonight ?

Sometimes I feel that life's a show
 But I don't wait - don't let you go
 Cause darling, heaven can be cold
 With no angel life been told
 Your memories come and memories go
 But my love will always grow
 Why do you flow away my heart ?
 Why did you break apart ?

Why did you do it just tonight ?
 We had two tickets to paradise
 Nobody ever loved you more
 As I always did before
 Why did you do it just tonight ?

The way you talk, the way you smile
 All things you do make life worth while
 It's not a game you play with me
 You give this world some sanity
 Your memories come and memories go
 But my love will always grow
 Look at the stars, they're out tonight
 Be forever by my side

143-Why Does It Feel So Good Lyrics

Chorus
 You take me up, and than you take me down
 I hear my heart, it's such a lonely sound
 And I know my love is serious
 Can I trust your heart, you're dangerous
 The grass is greener, girl when I see you
 The sky is bluer, girl it's true
 But I know this love is serious
 Can I trust your heart, you're dangerous
 Cause i, I wanna kiss your lips tonight

Refrain
 Why does it feels so good
 To be with you tonight
 Cause no matter what I do, I do ist just for you, my love
 Why does it feels so good
 If you are by my side
 Cause no matter what I do it's only me an you
 Cause it's: one to make me crazy
 Two to be my baby
 Three you'll never let me go
 Oh it's:four you play with fire
 Five higher and higher
 Six and baby time will show

Why does my heart, is beating just for you
 You promised on a secret rendezvous

And I know this love is serious
Can I trust your heart, you're dangerous
Maybe I'm weak, and you are strong
But babe I know where my heart belongs

144-Wild Wild Water Lyrics

Sail across the universe
All the magic here on earth
Slipping and sliding
Rolling and riding to you, my love
Summer breeze reminded me - love was wild and love was free
Love was wild and love was free
Memories were hiding
Baby, come riding to me

Wild, wild water
Brings me back to you - (over and over)
Wild, wild water
Babe, still missing you - (over and over)

Wild, wild water
Freeze the wind in summer sky
Wild, wild water
Expect that love that just won't die

Silverwater - evening tide
Brings that girl back to my side
Slipping and sliding
Rolling and riding to you, my love
You will be coming back some day
True, we gonna come what may
Memories were hiding
Baby, come home - riding to me

145-Wild, Wild Water Lyrics

Sail across the universe
All the magic here on earth
Slipping and sliding
Rolling and riding to you, my love
Summer breeze reminded me - love was wild and love was free
Love is wild and love is free
Memories were hiding
Baby, come riding to me

Wild, wild water
Brings me back to you, over and over
Wild, wild water
Babe, still missing you, over and over

Wild, wild water
Freeze the wind in summer sky
Wild, wild water
Expect that love that just wouldn't die

Silverwater - evening tide
Brings that girl back to my side
Slipping and sliding
Rolling and riding to you, my love
You will be coming back some day
True, we gonna come what made
Memories were hiding
Baby, come on riding to me

146-Win The Race Lyrics

We have a dream - you'll win tonight
Take the chance, take the chance, God is on your side
We pray for you, you're like a hurricane
You can win, you can win, you can win the game
Try the impossible, we want a miracle
And there are millions fans around
Our dream is free, we want the victory
The hero's back in town.

Refrain
Oh come on, we, we can win the race

Oh he, fights from face to face
Oh see, he will win the game
Again, again, again
Oh come on, we, we can win the race
Oh he, he will take the chance
Oh only the strong survive
We'll stay by your side

We have a dream, we don't give up
We can win, we can win, right from the start
The price is high, time is on your side
Take the chance, take the chance, you'll win tonight
I know you are the best, you can beat the rest
We'll never let you down
You'll have the energy, we want the victory
The hero is back in town

147-With A Little Love Lyrics

They said : Oh yeah, it's a tough world
You're restless and you're young
I said : Oh girl, it's a good twirl
And your time will come, your time will come
They said : you came from the wrong side
He's a page from the end of the book
I said : You came from the right side
Took me just one look
Then you understood

With a little love
You will survive
With a little love
You will get by
Do what you want
Go your own way
'Cause its your life

With a little love
You'll make a start
Yeah, why lovers break each other's heart
Do what you want
Go your own way
'Cause it's your life

They said : no future forget it
You came from the wrong side of town
I said : don't listen, don't let it
Let it bring you down
Make you wear a frown
They said : Oh let him down easy
Laugh at the heart you have won
I said : that life is for living
Like the morning sun
It had just began

148-You & Me Lyrics

Love delight - deep inside
I'm sharing all my love with you
Oh, I know I can't live without you girl
I can't live without you
Take me away
Make my day
Every time I see your face
Oh, I know I can't live without your love
That I can't live without you
There's one life to live
And one heart to give
Tell me that you need
Body heat
Just turn out the lights

You and me
Dreams are free
Just a woman and a man, babe
You and me
Can't you see
That I'm doing what I can, babe

Babe, you and me
Ecstasy
And I never want to lose you
To the end of the world
Oh, I'll stay by your side
You and me
Oh, I feel
Like the moon was made for lonely
You and me
Oh it's real
You are the one and you're the only
You and me
Memories
All the love that's never ending
To the end of the world
Oh, I'll stay by your side

It's getting late
And I can't wait
The ocean beating in my heart
Oh, I know I can't live without you girl
I can't live without you
I call your name
Again and again
I lose my soul, my self-control
Oh, I know that I can't live without your love
That I can't live without you
There's one life to live
And one heart to give
Tell me that you need, body heat
Just turn out the lights

149-You Are Not Alone Lyrics

How deep is the ocean
How deep is your love
I have the love
In my eyes
But how do you feel
When you
Can't get enough
Halfway
To your paradise
Oh my love is your love
Forever and again

Refrain:

You are not alone
I'll be there for you
You are not alone
Anything I'll do
You are not alone
You're the one for me
You are not alone
That's no tragedy
You are not alone
You're the one for me
You are not alone
Nothing comes for free

You're breaking the silence
You're breaking my heart
You're like a rose in the snow
I talk in my sleep
I don't tear apart
Baby
I will never go
Forever and again

Refrain (2x)

150-You Can Win If You Want Lyrics

You packed your things in a carpet-bag

Left home - never looking back.
Rings on your fingers

paint on your toes

music wherever you go.
You don't fit in a small town world

But I feel you are the girl for me.
Rings on your fingers
paint on your toes

You're leavin' town where nobody knows.

You can win if you want
if you want it you will win

On your way you will see that life is more than fantasy.
Take my hand
follow me
oh

you got a brand-new friend for your life.
You can win if you want
if you want it you will win

Oh
come on
take your chance for a brand-new wild romance.
Take my hand for the night and your feelings will be right

Hold me tight.

Oh
darkness finds you're on your own

Endless highways keep on rollin' on.
You are miles and miles from your home

But you never want to phone your home.
A steady job and a nice young man

Your parents had your future planned.
Rings on her fingers
paint on your toes

That's the way your story goes.
You can win if you want
if you want it you will win
...

You can win if you want
if you want it you will win

Oh
come on
take your chance for a brand-new wild romance.
Take my hand for the night and your feelings will be right

Hold me tight.
You can win if you want
if you want it you will win
...

152-You're A Woman Lyrics

Tonight. They'll be no darkness tonight.
Hold tight, let your love light shine bright.
Listen to my heart, and lay your body next to mine.
Let me fill your soul, with all my dreams.

You're a woman. I'm a man.
This is more than just a game.
I can make you feel so right.
Be my lady of the night.
You're a woman. I'm a man.
You're my fortune. I'm your fame.

These are things we can't disguise.
Be my lady of the night.
Lay back. Back in my tenderness.
And take. Take all of my sweet caress.
You've got all of me. It can't go wrong if you agree.
Soon two hearts will beat in ecstasy.
